Date: 24.09.2024

The Government of Andhra Pradesh has unveiled the *Swarna Andhra 2047 poster* for seeking a *public opinion survey* aimed at gathering insights for the development of *Andhra Pradesh by 2047*. The survey seeks to engage citizens in discussions about the state's vision and key areas for economic growth, importance of gathering suggestions on enhancing living standards, promoting sustainable and environmentally friendly growth, increasing employment opportunities for youth, and developing future skills. In addition, the survey aims to address women's empowerment, and farmers' aspirations, and improve the living conditions of Backward and Scheduled communities.

Citizens are encouraged to share their thoughts on how Andhra Pradesh can play a significant role on national and global platforms by 2047.

In this connection the Government officials have approached the college to encourage the faculty, staff and students to participate and also to share their thoughts through a questionnaire by scanning a QR code which is available hereunder.
