While committees constituted for each of these activities made necessary arrangements like planning and preparing program schedules, identifying resource persons, hospitality of resource persons etc., Heads of departments were entrusted with the responsibility of putting in place Public Address System, one Technician and one helper at each of the venues used for conducting these activities. The Basic Sciences department has looked after the transportation arrangements, attendance monitoring and general discipline among students during entire program. Dr.R.Praveensam, Co-convener of this program, looked after all the financial transactions. Dr.G.Raghuram, PRO, made general arrangements like accommodation for guests / resource persons, Banners, Mementos, Sweet boxes, Public address systems. Lunch, Snacks and Tea was arranged to all the guests and organizing committee members at Food court, which was monitored by the PRO.

Reports submitted by the conveners of individual activities are enclosed. Also enclosed are schedules of different events, the list of organizing committee, feedback given by the students, and the summary of expenditure.

The total expenditure incurred for this program is **Rs. 2,92,781/-** (Rupees Two lacs ninety two thousand seven hundred and eighty one only).

Remarks / Suggestions:

• Total expenditure for this event in this year is less compared to the previous years. This is primarily due to the shorter duration of the program and cut down of certain activities like Essence of Engineering, Local Area Visits.
